Fluxline Resonance Group, LLC, doing business as Fluxline
Version: *2.0*
Effective Date: *November 20, 2026*
Last Updated: *November 20, 2026*
Replaces: *RCF Preorder Terms effective November 6, 2026*
Applies to: *Preorders of digital editions of The Resonance Core Framework™ placed on store.fluxline.pro*

These Preorder Terms explain exactly what happens when you preorder digital editions of *The Resonance Core Framework*™ from the Fluxline store. They are part of your agreement with Fluxline Resonance Group, LLC, doing business as Fluxline ("Fluxline," "we," "us") and work together with our Terms of Use and Privacy Policy. If these Preorder Terms conflict with the Terms of Use for a preorder, these Preorder Terms control.

1. At a glance

- You are **charged on the day you order.**
- You can **cancel the whole order for a full refund until February 1, 2027.**
- Your **personalized early-reading sample** is available right after you order, and you keep it even if you cancel.
- Your **release-day files** are delivered by email and in your account on release day.
- The **expected release** is late February to mid-March 2027, **subject to change.**
- If the release is **delayed past March 17, 2027,** cancellation reopens until the new release date.
- The **RCF AI Companion First-Year Pass** is a one-time payment. **Nothing renews automatically.**
- The **RCF Founders Pass** year starts on the day you pay. **Nothing renews unless you turn it on.**

2. Key dates

All dates use Mountain Time (America/Denver).

What	When
Preorder prices and perks end	January 15, 2027. We email a cancellation reminder the same day.
Self-serve cancellation closes	February 1, 2027
Expected release (public window)	Late February to mid-March 2027 (subject to change)
Delay rule applies if release is later than	March 17, 2027

March 17, 2027 is not a promised release day. It is the date that, if passed, reopens cancellation, because the delay rule needs a fixed date to be enforceable. We publish only the release window.

3. What you can preorder

3.1 Digital editions only. Preorders cover digital editions sold by Fluxline: the eBook (PDF and EPUB), the Audiobook (MP3, narrated by the author), and the Workbook PDF, in single editions or bundles. They may also include the RCF AI Companion First-Year Pass, the Identity in Motion program, or the RCF Founders Pass, as shown at checkout.

3.2 Print and Kindle are not sold here. Printed editions and Kindle editions are sold by third-party retailers (for example, Amazon and bookstores through IngramSpark distribution) on their own schedule, with their own terms. The store links out to them. The printed book is expected to ship separately around May 2027 as three individual volumes. The printed Workbook is expected around the same time. Those dates are estimates and are not part of this preorder. The eBook (EPUB) is also expected to be available through Apple Books at release.

3.3 Prices. The price you pay is the price shown at checkout when you place your order, including any preorder discount. Preorder prices and perks end on January 15, 2027. After that date, some bundles and offers stop selling and prices return to their regular amounts. Pricing that is not yet set is shown on the store as "Pricing coming soon."

3.4 Bundles. An order can include one bundle. If you choose another bundle, it replaces the one in your cart. A bundle removes any single editions it already includes, so you never pay twice for the same item.

4. Checkout

4.1 You are charged today. A preorder is charged when you place it. At checkout we show, in bold: **"This is a pre-order. Your card will be charged today."** (If you buy Identity in Motion on its own, outside the preorder window, you instead see: **"Your card will be charged today. Identity in Motion begins after the book releases."**)

4.2 Accounts and guest checkout. We ask you to sign in to your Fluxline account first, with Microsoft, Google, or an email one-time code. Guest checkout (name, email, and phone) is allowed for some preorders, **except** any order that includes the RCF AI Companion, which needs an account.

4.3 Adults only. Fluxline products are for people 18 and older. By placing a preorder, you represent that you are 18 or older. If you have an account, you confirmed this when you created it. Guest buyers see an 18+ notice at checkout.

4.4 Required agreement. Before you pay, you tick one box, with this exact text: **"I have read and agree to the Terms of Use, RCF Preorder Terms, and Privacy Policy, including the class-action waiver, subscription renewal terms, and age attestation, and I understand Fluxline's refund policy."** Each document name links to the current version on fluxline.pro/legal. We store the version of the text you agreed to and the time you agreed with your order, as dispute evidence. If these Preorder Terms change while your checkout page is open, we reload the page so you see the current version before you can agree.

4.5 Payment. Your payment is handled by our payment processor. Apple Pay and Google Pay may be offered. Prices are in U.S. dollars. Applicable taxes are shown before you pay.

5. Cancellation and refunds

5.1 Cancel until February 1, 2027. You can cancel your **entire order** for a **full refund** at any time until **February 1, 2027.** Cancel from Account > Orders, or use the secure link in your confirmation email.

5.2 From February 1 until release. Self-serve cancellation closes on February 1, 2027. After that, email support@fluxline.pro and we will handle exceptions case by case.

5.3 If the release is delayed. If the release date moves later than **March 17, 2027,** cancellation reopens until the new release date, and we send every preorder customer a notice of the new date and of your right to cancel.

5.4 After your files are delivered. After release-day delivery, you can have a **full refund within 14 days** if you have **not downloaded any release edition.** Your early-reading sample and any bonus materials never count as a download.

5.5 Whole order only. Every refund covers the **whole order.** That includes editions, the First-Year Pass, and any program in the order. We do not offer partial refunds. To change an order, cancel it and place a new one.

5.6 What you keep. You keep your early-reading sample after a cancellation.

5.7 Timing. A refund can take up to **10 business days** to appear on your statement.

5.8 If an automatic refund fails. Our team is notified and will contact you within 10 business days.

5.9 Always refunded. We always refund an order placed on an account that belongs to someone under 18, and any duplicate or erroneous charge.

5.10 Identity in Motion bought on its own. If you buy the Identity in Motion program separately, not as part of a preorder, you can have a full refund through the end of Week 1 of the program. **Week 1 starts on your scheduled intake date** (the date we email you to begin, after the book releases), not on your purchase date. If it is part of a preorder, Sections 5.1 to 5.5 apply to the whole order instead.

5.11 Disputes and chargebacks. If you start a payment dispute instead of asking us for a refund, we may cancel the order, remove your access to its files and any pass, and give your payment processor the order's records, including the download log. We encourage you to write to us first. We resolve refund questions quickly.

6. Delivery and files

6.1 Early-reading sample. After you order, a personalized early-reading sample is available. It is issued once per email address.

6.2 Release day. On release day, your eBook, Workbook, and Audiobook (as included in your order) are delivered by email and appear in Account > Library.

6.3 Personalized and for you only. The eBook and Workbook PDFs are stamped on every page with your name, email address, and order number. They are for your personal use only. You may not share them, copy

them for others, or resell them.

6.4 Downloads. Download links are private and expire after a short time (currently 15 minutes). A fresh link is always available from your account or delivery email. Each file can be downloaded up to 5 times. Ask support if you need more.

6.5 If you are refunded. We delete your personalized release files. We keep the download records so that we can resolve any payment dispute.

6.6 Licensed, not sold. Digital editions are licensed to you for personal use under Section 4 of the Terms of Use.

7. RCF AI Companion First-Year Pass

7.1 What it is. The First-Year Pass gives you the **Map** plan of the RCF AI Companion for one year. It is a **one-time payment, not a subscription.** Map includes up to 100 answers per day and 1,000 per month.

7.2 When it starts. Your year starts on **release day** and runs for twelve months. **If the RCF AI Companion is not available to you on release day, your pass year instead starts on the date we first make the Companion available for your use in your account.**

7.3 Nothing renews automatically. When your first year ends, your access ends unless you choose to continue.

7.4 Continuing after the first year. After launch, you can choose to continue for another year at the yearly price shown when you opt in. On release day, and by email, we ask "Continue after your first year?" If you choose to continue:

- You give separate consent with its own checkbox.
- We send a renewal notice at least **15 days** before each renewal charge, by email and in the product.
- You can cancel in one tap from your account.
- You can have a **full refund within 7 days** after each renewal charge.

7.5 Account required. The pass needs a Fluxline account. There is no guest checkout when it is in the cart.

7.6 Availability. The Companion is offered **only in the United States**, which here means the 50 states, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands. We require a billing address in one of those places to purchase the First-Year Pass or any bundle that includes it, and we do not accept APO, FPO, or DPO addresses for it. We show this limit next to the price. If your account is outside the United States, the Companion shows a message that it is not available where you are. Moving outside the United States does not by itself entitle you to a refund.

7.7 If your order is refunded or disputed. The pass is removed with the whole order. This usually takes effect within minutes.

7.8 How the Companion handles your questions. Fluxline does not retain your questions or answers. Our AI provider, Microsoft Azure, keeps temporary automated abuse-detection logs (up to 30 days) under its policy, as described in the Privacy Policy. Your questions are never used to train any AI model. Section 9 of the Terms of Use describes what the Companion is and is not.

8. Atlas upgrade during your pass

8.1 Atlas is an upgrade to Map for people who use it heavily (up to 500 answers per day and 2,500 per month). It is not sold in the store. If you reach a Map limit, a card in the product offers Atlas.

8.2 The Atlas upgrade costs the yearly price shown at the upgrade prompt. During your First-Year Pass, the charge is **prorated to the end date of your pass.**

8.3 Atlas lasts as long as the Map it upgrades. If your pass ends and you do not continue, Atlas ends with it.

8.4 Atlas charges follow the same refund standard as Map renewals: a full refund within 7 days of the charge.

9. RCF Founders Pass

9.1 What it is. The RCF Founders Pass is a one-time payment for your first year. As described at checkout, it includes the digital editions (eBook, Audiobook, and Workbook PDF), an RCF AI Companion First-Year Pass, the Identity in Motion program, lessons and training on Fluxline's learning platform as they are released during your year, individualized trainings, and access to the private Facebook Group, the Discord Server, and Monthly Group Cohort sessions. It needs a Fluxline account. There is no guest checkout when it is in the cart.

9.2 When it starts. Your Founders Pass year starts on the day you pay, not on release day, because most of what it covers does not depend on the book. The editions and Identity in Motion are delivered on their own schedules, and the RCF AI Companion First-Year Pass starts as described in Section 7.2.

9.3 Refunds. The Founders Pass is part of your preorder. Cancellation and refunds follow Section 5 and cover the whole order.

9.4 Nothing renews automatically. When your first year ends, your Founders Pass ends unless you choose to continue.

9.5 Continuing as the RCF All-Access Pass. During your first year, you can turn on yearly renewal from Account > Founders Pass. If you do, your pass becomes the RCF All-Access Pass when your first year ends and renews each year at the price shown in the renewal consent, until you cancel. If you choose to continue:

- You give separate consent with its own checkbox, which states the yearly price and that the pass renews automatically until you cancel.
- We send a renewal notice at least **15 days** before each renewal charge, by email and in your account.
- You can cancel in one tap from your account.
- You can have a **full refund within 7 days** after each renewal charge.

If you do not turn on renewal before your first year ends, it cannot be turned on afterward.

9.6 Availability. The Founders Pass includes the RCF AI Companion, so it is offered only in the United States, as defined in Section 7.6.

9.7 Community spaces. The Facebook Group and the Discord Server run on third-party platforms under their own terms. We may remove access to them for conduct that breaks the Acceptable Use rules in Section 14 of the Terms of Use.

10. Delays and changes

10.1 Release timing. We give the release window and not a promised day. Dates can move.

10.2 What we will do if it moves. We will tell every preorder customer by email. If the release is delayed past March 17, 2027, your right to cancel for a full refund reopens (see 5.3).

10.3 Changes to what is in your order. If a file, format, or bonus changes materially before release, we will tell you and give you the option to cancel for a full refund.

10.4 Changes to these terms. We may update these Preorder Terms for future preorders. Updates to these terms do not reduce the cancellation and refund rights you had on the day you ordered.
